Our first company KALSI ENTERPRISES has been established with a strong trust in the market that it operates in. We have experience of more than 40 years. We always make sure that we provide the best possible instances. Internally, the business works hard, to ensure that it serves the best quality products, at all times. Now we have started a new company under the name HARISONS AGRO INDIA to give best services as before and ensure customer satisfaction by meeting their requirements.
